DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name,

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and

sought on the invention entitled:	ed below) of the subject m	latter which is claimed and for which a patent
	ECTURE FOR INTERAC	CTIVE TRANSFER AND PROGRESSIVE SED IMAGE DATA"
Case No. <u>P04,0039</u> , the specification of	of which	
(check one)	is attached hereto. was filed on, as Application Serial No and was amended on (if applicable)	· ·
I hereby state that I have reincluding the claims as amended by an	eviewed and understand the y amendment referred to abo	e contents of the above identified specification ove.
I acknowledge the duty to dist to be material to the patentability of 1.56(a). ¹	close to the United States Pa this application in accordar	atent Office all information which is known to make with Title 37, Code of Federal Regulations
before my or our invention thereof, or our invention thereof or more than one in the United States of America more t been patented or made the subject of country foreign to the United States of more than twelve months prior to this invention has been filed in any country legal representatives or assigns, except	patented or described in any year prior to this application han one year prior to this application of an inventor's certificate is America on an application of application, and that no application to the United States as identified below:	r known or used in the United States of Americally printed publication in any country before my of the printed publication in any country before my of the printed publication in any solution, and I believe that the invention has no study before the date of this application in any filed by me or my legal representatives or assignification for patent or inventor's certificate on this of America prior to this application by me or my
I hereby claim foreign priority patent or inventor's certificate listed be	v benefits under Title 35, Un low	nited States, 119 of any foreign application(s) for
Prior Foreign Application(s) Number	Country	Date
103 09 165.3	Germany	February 28, 2003
and have also identified below any fore that of the above listed application on v	eign application for patent or which priority is claimed:	r inventor's certificate having a filing date before
Prior Foreign Application(s) Number	Country .	Date
record in the application, and	ination with other information, a pr	mulative to information already of record or being made of rima facie case of unpatentability of a claim; or

(i) Opposing an argument of unpatentability relied on by the Office, or

¹ re

⁽ii) Asserting an argument of patentability.

A prima facie case of unpatentability is established when the information compels a conclusion that a claim is unpatentable under the preponderance of evidence, burden-of-proof standard, giving each term in the claim its broadest reasonable construction consistent with the specification, and before any consideration is given to evidence which may be submitted in an attempt to establish a contrary conclusion of patentability.

If no priority is claimed, I have identified all foreign patent applications filed prior to this application:
